# About

---

The mission of 100 Holes for HOPE is to involve PGA Professionals and military veterans in a marathon round of 100 holes on one of the longest days of the year! Proceeds from 100 Holes for HOPE will benefit PGA of America REACH Foundation Minnesota; including, the PGA HOPE (Helping Our Patriots Everywhere) program.

The 7th Annual 100 Holes for HOPE fundraiser will take place on **Wednesday, June 19, 2024** at The Loop at Chaska. The concept of the event is simple. Local PGA Professionals and Veterans will tee-it-up on this day in an effort to raise money for local PGA HOPE Programs by making as many birdies as they can while playing 100 holes in one day.

By becoming a corporate sponsor, you can help veterans succeed by giving them the chance they deserve to enhance their mental, social, physical and emotional well-being. We've listed out some of the incentives and perks that your company can enjoy should you decide to become one of our corporate sponsors (see below Sponsorship Levels Document).

# What is PGA of America REACH Foundation Minnesota

PGA of America REACH Foundation Minnesota is the 501(c)(3) charitable foundation of the Minnesota PGA Section. The mission of PGA REACH Foundation Minnesota is to enable access to the game of golf utilizing PGA Professionals to positively impact the lives of youth, military, and diverse populations with an emphasis on inclusion.

# What is PGA HOPE Minnesota

---

PGA HOPE (Helping Our Patriots Everywhere) is the flagship military program of PGA of America REACH Foundation, the charitable arm of the PGA of America. PGA HOPE introduces golf to Veterans and Active Duty Military to enhance their physical, mental, social and emotional well-being.

The program introduces the game of golf through a developmental 6-8 week curriculum, led by PGA Professionals trained in adaptive golf and military cultural competency. All programs are funded by PGA REACH Foundation and supplemented by PGA Section Foundations, so the cost of programming is free to all Veterans.

PGA HOPE has a Memorandum of Understanding (MOU) with the Department of Veterans Affairs (VA), which enables direct referrals to the PGA HOPE program as a form of therapy.
